Subject: July 8, 2021 Board Meeting Item 7D
Date: Wednesday, July 7, 2021 6:53:56 PM

To all board members,

Thank you Ossana for reading my public comment.

I request that my comments be included in the meeting minutes.

In the Top Of The World area of Lodge Hill, where we walk daily, we often notice a strong sewer smell when we pass various sewer manhole covers. Additionally, the water that comes out of our shower head has the same smell. Considering ongoing comments about the deteriorating status of Cambria's Waste Water Treatment Facility, we can't deny that the smell could very well be related to the deterioration of the facility's ability to treat wastewater effectively.

I believe that the condition and repair of the WWTF should be a top priority for Cambria only behind safe evacuation in case of wildfires, and water conservation.

Thank you for your consideration.

Holly Ludwigson,

To all board members,

Thank you Osanna for reading my email at the meeting.

I request that my comment be included in 7/8/21 meeting minutes.

In consideration of resuming in-person CCSD Board meetings, I would like to request that the Zoom format be continued in addition to in-person meeting for obvious, practical reasons such as daytime work schedules' impact on attendance of mid-day meeting time. Furthermore, continuing the Zoom format would certainly align with the board's stated goal to improve communication between the board and rate payers.

Thank you,

Holly Ludwigson

Subject: Statement for upcoming Cambria board meeting
Date: Tuesday, July 6, 2021 10:02:14 PM

I would like to read a short 1 minute statement at your upcoming board meeting. If it is inappropriate for me to read a statement in my own voice can you please by sure it is read aloud during the meeting public comment section. Please advise me on how best this can be presented. Here is my statement:

“I’m Dawn Mazur, my home is San Luis Obispo County. I am inviting everyone on this meeting to join in a 50 states discussion of what it means to be a dejure form of government rather than a defacto form of government. The discussion will take place from August 30th through September 8th. Find more information at dejure4sure.com.”

Re; Cambria Skate Park

Honorable CCSD Board of Directors
Pros Commission Commisioners

Honorable Board and Pros Commissioners

I am Mel McColloch, President of the Cambria of Commerce and I am representing a large majority of our 160 Chamber members. The chamber and a majority of our members support the rebuilding of the skate park in the location of the old skate park. We also totally support the CCSD giving any grant money available to provide the funds needed to help rebuild the skate park. The youngsters in the community deserve the facility, they have very little else in the way of activities in Cambria. The youngsters have worked diligently and hard to raise funds to help build the skate park.

The current unusable skate park is in my opinion and the opinion of other the best location. It has proven to be a safe location and adds vitality to our community. It is important to provide activities for our youngsters, as we have done for our older residents. It is a great investment for our community youth and tourists with children.

As I understand it, Prop. 68 grant monies will provide the much needed money to to help fund the rebuilding the skate park.

I urge the board to to award all of the prop 68 grant money to the skate park initiative to help fulfill the dreams of many of our youth in Cambria.

Thank you and be safe out there

Mel McColloch

Note – the discussion regarding funding for consultant is documented in the PROS minutes, shared and accepted at the last meeting. Not sure why commissioners claim it was an unknown...
