

**CAMBRIA COMMUNITY SERVICES DISTRICT
SUMMARY OF ORDINANCE**

**AN ORDINANCE ADDING CHAPTER 6.09, MANDATORY
ORGANIC WASTE DISPOSAL REDUCTION, TO THE CAMBRIA
COMMUNITY SERVICES DISTRICT MUNICIPAL CODE
TO COMPLY WITH THE REQUIREMENTS OF SB 1383**

This Ordinance Summary is published in accordance with the provisions of Government Code Section 25124. On November 10, 2021, the Board of Directors of the Cambria Community Services District adopted Ordinance 04-2021 adding Chapter 6.09, Mandatory Organic Waste Disposal Reduction, to the Cambria Community Services District Municipal Code to comply with the requirements of SB 1383. Ordinance 04-2021 was adopted by the following vote:

AYES: Steidel, Howell, Farmer, Dean, Gray
NAYS: 0
ABSENT: 0

The Cambria Community Services District provides solid waste services pursuant to Government Code Section 61100(c), and Mission Country Disposal is the District's franchisee that provides solid waste collection and disposal services to the community. SB 1383, the Short-lived Climate Pollutant Reduction Act of 2016, requires a reduction of organic waste disposal to landfills from 2014 levels by 75% and an increase in edible food recovery by 20%, by 2025. The implementing regulations of the California Department of Resources Recycling and Recovery (CalRecycle) requires that each jurisdiction adopt a mandatory recycling ordinance.

Pursuant to the new State mandates, Chapter 6.09 contains provisions that will require that single family premises, multi-family residential dwellings and commercial businesses subscribe to an organic waste collection service and "source-separate" the waste (e.g., separate bins), and includes related provisions regarding containers. It also includes informational and education requirements for multi-family and commercial businesses. Procedures for De Minimus Waivers for multi-family premises and commercial premises are included, as well as provisions relating to self-hauler requirements. The Ordinance contains requirements for waste haulers and facility operators. The Ordinance also provides for inspections/audits of residential and commercial refuse containers; facilitation of agreements between commercial edible food generators (e.g., schools, hospitals, large restaurants, and large grocery stores) and food recovery organizations and providers to ensure that recoverable food is diverted and not put into the waste stream, and conducting education and outreach. In addition, as required by CalRecycle regulations, the Ordinance contains enforcement procedures. Enforcement actions start January 1, 2024. Enforcement will first be through providing educational materials, then issuing a notice of violation, and finally imposing penalties for violations.

In accordance with Government Code Section 25124, a certified copy of the full text of the Ordinance is posted on and available for public review and inspection electronically on the CCSD website at www.cambriacsd.org and at the following location:

Cambria Community Services District
1316 Tamsen Drive, Suite 201
Cambria, CA 93428

This is a true and correct copy of the record if it bears the district seal and is printed in purple ink.
