October 3, 2023

Cambria Community Services District Board meeting

Agenda # 5 A

Discussion and consideration of approval of amendment to agreement for use of Santa Rosa creek well #4 and grant of related easements .

Dear Board and General Manager ,

Thank you for your heedful response in the negotiations with CUSD . Seems there was no apparent justification for the lease increase nor the added CPI . Your wisdom in the stewardship of our water and infrastructure resources will lead you to the make the right decision for our community .

Thank you,

Mahala Burton
