CAMBRIA COMMUNITY SERVICES DISTRICT

The Consumer Confidence Report (CCR) is an annual water quality report that the Safe Drinking Water Act (SDWA) requires the CCSD to provide to its consumers. The purpose of the CCR is to raise customer awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources. In the past, the CCSD has mailed its customers a printed copy of the CCR to comply with the SDWA. The California Department of Public Health began allowing for electronic delivery of the CCR in 2013. CCSD encourages electronic delivery because it reduces the consumption of paper and minimizes printing, mailing, and handling costs to the CCSD and its customers. Hard copies will be made available to the public at various locations including the Cambria Library, Chamber of Commerce, Board of Tourism, Veterans Memorial Hall, local public schools, and to leasing offices of certain multifamily properties. Paper copy of the CCR will be mailed only upon request. Please submit a request for paper copy online at www.cambriacsd.org/annual-ccr or by calling (805) 927-6223.
