BUDGETED FISCAL YEAR 2010-2011-Represents the balances from the Operating Budget approved by the CCSD Board of Directors on June 24, 2010 adjusted for any budget adjustments approved by the CCSD Board of Directors. Approved budget adjustments for Fiscal Year 2010/2011are:

DESCRIPTION	AMOUNT	DATE APPROVED	DEPARTMENT
Payoff Fire Pumper	\$ 216,141	1/20/11	Fire
Severance Pay-Out	\$ 189,706	4/30/11	Administration

ACTUAL 7/1/2010-6/30/2011-Amounts shown are actual revenues received and expenditures paid for the fiscal year with the exception of no allowance having been made for the final Workers' Compensation reconciliation (typically received in November) as it appears this will be a minimal change, which may actually reduce costs. All other yearend accruals for receivable and payables for all material activity except depreciation and amortization have been recorded and are included in the amounts shown. As such, there are no timing differences to account for in these reports. While the amounts shown have not been audited, they are shown on these reports on the same basis as they are expected to be shown on the audited financial statements.

VARIANCE-UNDER/(OVER BUDGET)-This is the difference between the amount budgeted, with revisions, and the projected final results for the fiscal year. A balance in Revenue with no brackets means that fewer revenues were received than budgeted while a balance in Revenue with brackets () means that more revenues were received than were budgeted. A balance in Expenditures with no brackets means that the costs were lower than budgeted while a balance with brackets () means that costs were higher than budgeted. A bracketed balance for TOTAL OPERATING REVENUE LESS TOTAL OPERATING EXPENDITURES means that the overall results were better than budgeted and an unbracketed balance means that results were worse than budgeted.

Y-T-D % OF BUDGET (YEAR TO DATE PERCENTAGE OF BUDGET)-This is the percentage of the budgeted revenue that was actually received and the percentage of budgeted expenditures that was actually paid.

VARIANCES-Following are explanations for variances from Budgeted to Actual in excess of \$10,000. In addition, variations that were under this dollar threshold, but with a significant revenue shortfall or cost overrun as a percentage of the budgeted amount are also reported on. In many cases, especially in cost centers such as Maintenance & Repairs, there is not a single identifiable item that caused the surplus or deficit. In such situations, the most significant transaction(s) is/are listed. Amounts are approximate.

WATER FUND:

- SERVICE FEES-It appears that the most likely reason that water sales were under budget was due to the wet winter and spring. This is deduced because commercial sales were higher in FY 2010/2011 than in FY 2009/2010 while sales to single family residences were down and the decrease was most apparent in the last 2 billing cycles.
- SALARIES & WAGES/PAYROLL TAXES AND BENEFITS-There was an Operator vacancy for most of the fiscal year and the Utility Manager position was vacant for a portion of the year. In addition, Overtime and Standby Pay were a combined \$19,000 under budget.
- MAINTENANCE & REPAIR-DELIVERY SYSTEM-These costs vary greatly from year to year. A weighted average is used to arrive at a budget amount and there were fewer equipment failures than average for the year.
- MAINTENANCE & REPAIR-PLANT REPAIRS-Grounds clearing was \$5,800 more than budgeted. (The FY 2011/2012 Budget reflects an increase for these on-going costs).
- MAJOR MAINTENANCE-Please refer to the detail found on Page 1.
- PROFESSIONAL SERVICES-Litigation costs were \$26,000 higher than budgeted while Counsel and Other costs were \$10,000 lower than budgeted.
- TRAINING & TRAVEL-87% of the deficit is due to unbudgeted Employee Recruitment caused by an unexpected vacancy.

CAPITAL OUTLAY-Please refer to the detail found on Page 1.

ALLOCATED OVERHEAD-PERSONNEL COSTS-Surplus due to there being fewer costs than budgeted to be allocated.

WASTEWATER FUND:

Pg. 3 of 4

- SERVICE FEES-It appears that the most likely reason that wastewater sales were under budget was due to the wet winter and spring. This is deduced because commercial sales were higher in FY 2010/2011 than in FY 2009/2010 while sales to single family residences were down and the decrease was most apparent in the last 2 billing cycles.
- OTHER (REVENUE)-The CCSD was reimbursed \$16,331 for its costs related to the storm event of January, 2011. See MAINTENANCE & REPAIR-EMERGENCY below.
- SALARIES & WAGES/PAYROLL TAXES AND BENEFITS-There was an Operator vacancy for a portion of the fiscal year and the Utility Manager position was vacant for a portion of the year as well.
- MAINTENANCE & REPAIR-COLLECTION SYSTEM-These costs vary greatly from year to year. A weighted average is used to arrive at a budget amount and there were fewer equipment failures than average for the year.
- MAINTENANCE & REPAIR-PLANT-There were 9 charges to this account with a cost between \$1,000-\$3,000, plus a \$9,000 payment for the repair of the "muffin monster". In FY 09/10, there were 3 charges between \$1,000-\$3,000. As a further indication of the variableness of such costs, there were 8 charges between \$1,000-\$3,000 and 1 charge of \$3,700 in FY 08/09,
- MAINTENANCE & REPAIR-EMERGENCY-These costs were due to the storm event of January, 2011. See OTHER (REVENUE) above. The reason that the reimbursement appears to exceed the CCSD's costs is due to the fact that the additional personnel services costs caused by the storm event are included in SALARIES & WAGES.
- MAJOR MAINTENANCE-Please refer to the detail found on Page 1.
- UTILITIES-Electricity costs increased by \$6,700, but the largest factor in the net increase in costs is due to having received \$9,200 in PG&E credits in the FY 09/10 and none in FY 10/11.
- PROFESSIONAL SERVICES-Litigation costs were \$9,600 under budget.
- DEBT SERVICE-The costs of issuance for the refinanced bonds (\$24,000) was not budgeted. This was partially offset by interest savings of \$11,400 due to the refinance.
- CAPITAL OUTLAY-Please refer to the detail found on prior page.

FIRE DEPARTMENT/GENERAL FUND

- PROPERTY TAX-Property Tax Revenue was less than budgeted. The amount estimated was slightly below the county's estimate for the CCSD, but receipts were lower yet.
- GRANT REVENUE-Grant Revenue is not budgeted due to the fact that the CCSD does not have a right to it until the grant requirements are fulfilled.
- SALARIES & WAGES/PAYROLL TAXES AND BENEFITS-The deficit in SALARIES & WAGES and surplus in PAYROLL TAXES & BENEFITS were caused by Reservists' Pay being over budget by \$58,000 and Overtime being over budget by \$8,500 while at the same time, Regular Salaries & Wages were under budget by \$54,000. Two regular Fire employees were out for an extended period, reducing Regular Salaries & Wages and their positions were filled by Reservists and regular staff, causing the excess costs in Reservists' Pay and Overtime. In addition, a significant amount of the excess Reservists' Pay was for training and for which the fire Department was reimbursed via grant proceeds. Because Overtime and Reservists' Pay does not have the same burden rate as Regular Pay, Payroll Taxes and Benefits were reduced.

Pg. 4 of 4

FIRE DEPARTMENT/GENERAL FUND-Continued

INSURANCE & OTHER SERVICES-Over \$2,000 in advertising costs related to revisions to the fire code was not budgeted.

PROFESSIONAL SERVICES-The main reason for the deficit was an unbudgeted payment of \$16,000 for outside Fire Chief services. In addition, there was over \$6,000 in unbudgeted legal costs.

- OPERATING SUPPLIES & EQUIPMENT-The largest factor causing the deficit was the unbudgeted purchase of \$10,000 of fire hoses. Also, the unbudgeted purchase of a telescopic ram for \$4,600 impacted the deficit.
- GRANT EXPENDITURES-Other than match requirements, grant expenditures are not typically budgeted and this is the reason for the variance. Since grant revenue is not budgeted either, this does not cause any budgetary issues.

TRAINING & TRAVEL-92% of the deficit is due to unbudgeted Employee Recruitment for Reservists.

ALLOCATED OVERHEAD-PERSONNEL COSTS-Surplus due to there being fewer costs than budgeted to be allocated.

ADMINISTRATION DEPARTMENT/GENERAL FUND

ALLOCATED OVERHEAD-PERSONNEL COSTS-Deficit due to there being fewer costs than budgeted to be allocated.

ALLOCATED OVERHEAD-OPERATING-Surplus due to there being more costs than budgeted to be allocated.

- INTEREST INCOME-While the balance in the Local Agency Investment Fund (LAIF) was greater than projected overall, the rate of return was estimated at .75%, but the actual average rate was significantly less.
- PAYROLL TAXES AND BENEFITS-There was a vacancy for a portion of the year and other staff changes resulted in lower costs than were budgeted. In addition, unemployment costs were significantly less than budgeted.
- PROFESSIONAL SERVICES-Temporary staffing costs were \$13,000 more than budgeted, legal costs were \$8,500 more than budgeted and District Counsel costs were \$7,000 more than budgeted.

FACILITIES & RESOURCES DEPARTMENT/GENERAL FUND

OTHER/DONATION-\$4,479 was received as an insurance reimbursement for damage to a CCSD owned street light.

RESOURCE CONSERVATION DEPARTMENT/FUND

REMODEL FEES-Remodel Fee Revenue was significantly less than budgeted. \$75,000 was received in FY 2007/2008; \$38,000 was received in FY 2008/2009 and FY 2009/2010, so this revenue source has drastically declined in recent years.
