Summary

The Cambria Community Services District (CCSD) preliminary budget for fiscal year (FY) 2023-2024 has been prepared reflecting several actions that have been approved by the Board of Directors during the current fiscal year. Those actions include review & updating of the budget policies, strategic planning goals for the calendar year 2023, and guidance from standing committees covering numerous details associated with the CCSD's finances, operations, capital projects, and policies.

Overall, the District's financial condition continues to improve from the District's efforts in fiscal conservation and through the creation of operational efficiencies leveraging technology and updated policies and procedures. The District completed a rate analysis in FY 2022-2023, to provide the District with the ability to cover the cost of anticipated debt service in the wastewater fund and to begin implementation of multi-year capital improvement projects, in both the water and wastewater funds. These rate increases will span three years and are prescribed in Resolution 32-2022, adopted on May 19, 2022. These rate increases are not automatic and will require Board approval for the subsequent year's inflationary rate increases. The Water Reclamation Facility (WRF) rates will not increase and remain at the same rate structure as the previous fiscal year. The prescribed rate increases also include future annual inflationary adjustments to water and wastewater, which will require Board approval. Additional details associated with enterprise fund activities, including recommendations of the CCSD standing committees guiding the preparation of the preliminary budget are provided in subsequent sections of this report.

While the preliminary budget includes revenues and expenditure plans for FY 2023-2024, it does not include reserves since those are incorporated at the time that the Final Budget is considered by the Board. The prescribed timing of the final budget, which is established by Government Code Section 61110, provides staff the opportunity to perform year-end accounting closure procedures for the CCSD balance sheet in determining the current year's ending reserve balances which are also the beginning reserve balances for FY 2023-2024. The District completed the FY 2021-2022 audit, and those reserve balances are incorporated into the FY 2023-2024 estimates for the final budget. Interfund loans exist and may affect balance sheets and reserves. Based on past Board direction, staff will continue discussions related to inter-fund loans with both the Finance Standing Committee and the Board.

Service levels in the CCSD General Fund budgets, including Fire, Facilities and Resources, and Parks, Recreation, and Open Space are consistent with the current fiscal year. The Administration department is being evaluated by Management and undergoing re-organization to implement cost-saving measures and create efficiencies. Some of these changes are reflected in this preliminary budget but more changes will be forthcoming. Since the General Fund budgets are funded through taxes and assessments, which are not increasing parallel to the rate of inflation, several unfunded items continue to exist. Additional details on General Fund budgets and unfunded items are provided in subsequent sections of this report. Options to increase revenues to address unfunded items are limited but will be explored as part of the Board Adopted Strategic Plan and ad-hoc committee.

Total General Fund revenues are estimated to decrease \$514,240 (-8%) from \$6,772,027 estimated for FY 2022-2023 to \$6,257,787 in FY 2023-2024. This decrease is due to a reduction in grant revenue and loan proceeds. Property taxes are projected to increase \$207,326 (7.5%) from \$2,778,000 in FY 2022-2023 to \$2,985,326 in FY 2023-2024, based on estimates received from the County of San Luis Obispo Treasurer-Tax Collector.

Total General Fund expenditures are estimated to decrease by \$528,642 (-7.7%) from \$6,869,257 estimated for FY 2022-2023 to \$6,340,633 in FY 2023-2024. This decrease is due to a reduction in administrative positions and other cost-saving measures. Overall, the General Fund budgets are anticipated to incur a deficit of \$82,846, due to capital improvement projects and a structural deficit in the Facilities and Resources department. Achieving a balanced budget relies on 100% cost recovery for the Administrative Fund. These administrative cost allocations, and other inter-fund transfers, are eliminated in the CCSD combined budget to determine net revenues and net expenditures after inter-fund activities.

The Enterprise Fund revenues are estimated to increase by \$363,070 (4.2%) from \$8,733,330 in FY 2022-2023 to \$9,096,400 in FY 2023-2024, due to water and wastewater rate increases. Enterprise Fund expenditures are estimated to increase by \$530,642 (6.3%). The increase in expenditures is due to capital projects in the water and wastewater funds that were deferred until FY 2023-2024. An overall surplus of \$119,105 is projected for FY 2023-2024, which can be utilized for future capital or debt expenditures.

General Fund Budgets

The General Fund Budgets consist of the following:

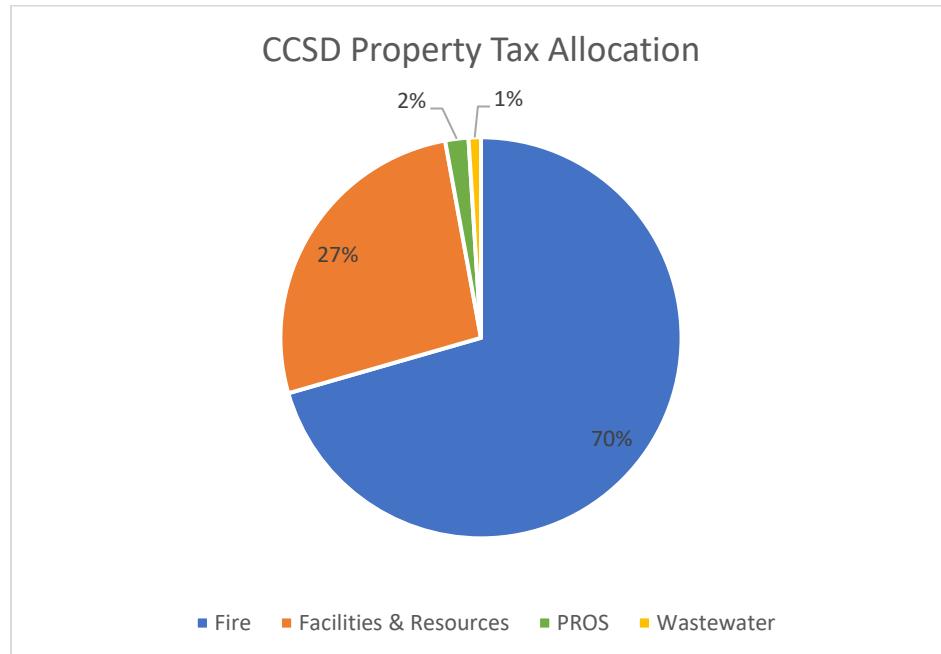

- Fire Fund
- Facilities and Resources Fund
- PROS (Parks, Recreation and Open Space) Fund
- Administrative Fund (Including the Overhead Allocation spreadsheet)

The combined General Fund budgets are illustrated on page 16, with a summary and detailed schedules for each budget on pages 16 to 37.

Significant Budget Items

General Fund revenues are primarily property taxes, which are allocated between Fire, Facilities and Resources, and PROS to fund budgeted expenditures. Other revenues, such as the Fire Assessments, are restricted to the Fire Fund. The Administrative Fund budget includes a schedule on page 83 illustrating how administrative costs are allocated between the various CCSD budgets. The Administrative Cost allocation provides for an offset of administrative expenses by revenue collected in the General Fund. Franchise Fee revenues have been used to reduce the reimbursable costs to the departments.

The following illustrates the allocation of CCSD property taxes.

General Fund Trade-Offs

Trade-offs in General Fund budgets link to how much property taxes are allocated to one of the budgets versus another budget. The Fire Fund is allocated 70% of the CCSD property taxes, which together with Fire Assessments of \$544,894, provide most of its funding. The Facilities and Resources Fund receives 27% of the CCSD property taxes, which with the rental income of the Veterans Hall of \$26,000, provides for most of its funding. Allocating more property taxes to one fund, and decreasing the other, would result in trade-offs, changes in staffing, and changes in the list of "Unfunded Requests" illustrated on page 77.

When considering trade-offs between General Fund budgets, it is important to recognize that CCSD has taken on added responsibilities in recent years without funding. Funding for the maintenance of open space, maintenance of the Veterans Hall and homeless camp cleanup are three primary responsibilities of the Facilities and Resources budget that continue to be underfunded and where service is provided in the best manner possible within available funding. Over time, as the CCSD continues to maintain the Fiscalini Ranch and take ownership of more open space parcels (now at over 500 parcels) with insufficient funding, the General Fund budgets for Fire, Facilities and Resources and Admin will continue to decline and impact operations and safety.

Lastly, \$25,000 in property taxes is budgeted for the low-income discounts for wastewater customers. Based on Proposition 218 requirements for the proportional allocation of costs when establishing customer rates and charges, low-income discounts cannot be subsidized by other wastewater customers. Property taxes are the sole source of discretionary revenues appropriate to cover the cost of the discounts.

Fire and Emergency Services – See budget schedules on pages 18-23

Significant Budget Items

- The CCSD Fire Fund provides for 8 full-time personnel, 3 full-time grant-funded personnel, and 4 volunteer/reserve fire personnel. Full-time staffing levels have increased from the current FY 2022-2023 budget, with the addition of two proposed firefighters. With the funding of the two firefighter positions, we will not lose staffing when the grant funding ceases in 2024/2025.
- Funded budget items are listed on page 77 and include increased funding for equipment, supplies, and building repairs.
- Capital expenditures total \$30,000 for hose replacement.
- The budget request for FY 2023-2024 includes items that are funded in the preliminary budget and are listed on page 77.

Goals, Objectives, and Plans

- 1) Continue to seek grants for various equipment and prepare funding options for Board consideration if grants are not awarded.
- 2) Analyze the staffing model and propose changes for efficiency and employee retention.
- 3) Continue to support employee training in maintaining professional licensing or other industry-related training.
- 4) Continue to support upgrading outdated equipment and apparatus.
- 5) Work to make critical updates to the fire station for safety and efficiency.

Facilities and Resources— See budget schedules on pages 24-32

The Facilities and Resources (F&R) budget funds three (3) full-time equivalent staff positions and related expenditures for maintenance and repairs of District assets including real property such as the Veterans Hall Building, Skate Park, Dog Park, Public Restrooms, Open Space and Fiscalini Ranch. Relating to the F&R budget is the PROS budget, which has historically provided funding for start-up or facilities development efforts. Current challenges associated with unfunded budget requests are common for local agencies that can fund facilities development but are hard-pressed to fund long-term maintenance efforts. Continued resource demands for open space maintenance and homeless camp cleanups and storage of personal property are having a significant budgetary impact on General Fund resources and staff.

Significant Budget Items

- The CCSD Facilities and Resources Fund provides for 3 full-time personnel. Staffing levels are consistent with the current FY 2022-2023 staffing.
- Funded budget items are listed on page 77 and include increased funding for skate park design & permitting funding.
- Capital expenditures were not funded, due to additional funding required for the Veterans Hall building.
- Significant unfunded requests exist and are listed on page 77.
 - Significant unfunded requests exist for the maintenance of the Veterans Hall.
 - Significant resource constraints exist which affect staff's ability to maintain open space, streetlights, and public restrooms, which may not meet service level expectations of the community.

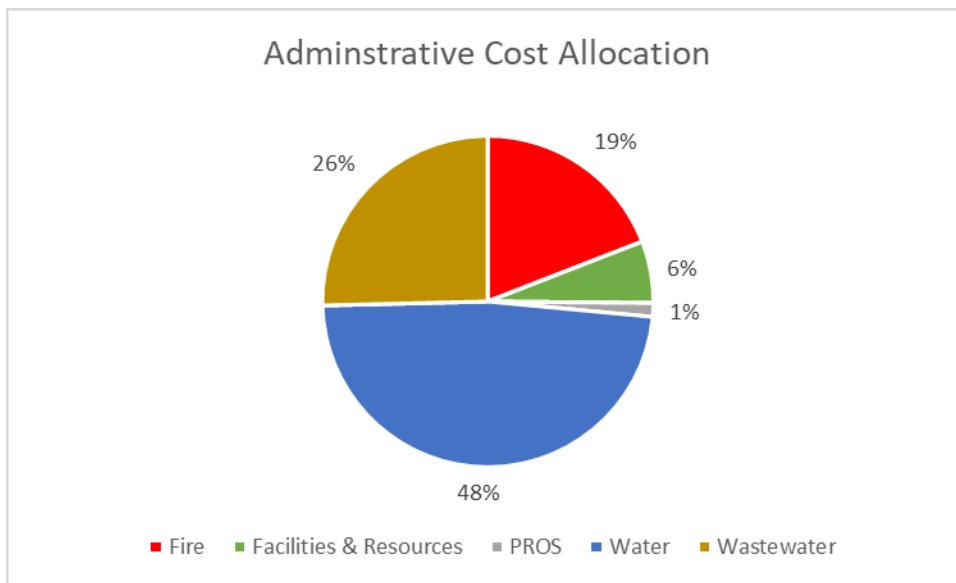

Goals, Objectives, and Plans

- 1) Continue coordinating with PROS.
- 2) Continue engaging in a community dialogue on the impacts of homeless encampments.
- 3) Continue to research grant opportunities.
- 4) Continue to support employee training in maintaining professional licensing or other industry-related training.
- 5) Continue discussions & review of the fee structure for rental rates of the Veterans Hall.
- 6) Continue the dialogue with the Finance committee and Board to find alternate sources of funding.

Administrative Services— See budget schedules on pages 33-37

The CCSD Administrative Fund budget includes the cost of the general manager and staff responsible for the district's accounting and finances, human resources, clerk and records retention, centralized aspects of contract management, and related administrative functions.

The following chart illustrates the CCSD allocation of administrative costs.

Overall, combined enterprise fund budgets pay 73.5% of the CCSD administrative costs with water fund budgets (including WRF budgets) covering 48.1% and the wastewater fund covering 25.4%. General fund budgets pay the remaining 26.5% with those costs covered by Fire (19.2%), Facilities and Resources (6.0%) and PROS (1.3%).

Significant Budget Items

- Funded budget items are listed on page 77, which include an increase in annual property/liability insurance, an increase in LAFCO annual fees, election fees, network upgrades, and audio system upgrades in the Veteran's Hall.
- .
- The Administrative Fund budget assumes that administrative costs less Franchise Fees are reimbursed by other operating budgets.

Goals, Objectives, and Plans

- 1) Support the strategic plan and three-year goals adopted by the Board of Directors on January 25, 2022.
- 2) Review the District Code and consider whether direction should be provided to draft amendments.
- 3) Study the District Fees & Charges Schedule to determine if rates need to be amended to cover the cost of service.
- 4) Continue with progress on the following Organizational Goals:
 - a) Staffing, vacancies, and overall staffing levels
 - b) Develop and review the annual budget and continue with quarterly financial updates.
 - c) Begin the FY 2022-2023 audit.
- 5) Continuing work with Standing Committees on various Board assigned tasks.
- 6) Continue to support employee training in maintaining professional licensing or other industry-related training.

Enterprise Fund Budgets

The CCSD Enterprise Fund budgets consist of the following:

- Water Fund
- WRF Operations Fund
- WRF Capital Fund
- Wastewater Fund

The combined Enterprise Fund budgets are illustrated on page 39, including the combined summary information for the three (3) water fund budgets (Water, WRF Operations, and WRF Capital Funds) and the Wastewater Fund. Detailed schedules for the enterprise budget are on pages 39-64.

Significant Budget Items

As with the General Fund budgets, some significant budget items are common to all enterprise fund budgets while other issues are budget specific. The following is a list of budget issues common to all enterprise funds.

- The approval of a three-year rate increase to water and wastewater rates on May 19, 2022, effective on July 1, 2022, which increases the funding for the District's enterprise services and planned capital project activities and debt service for FY 2023-2024. WRF fees are not increasing and will remain as prescribed in year three of the 2018 rate study.

Trade-Offs

In contrast to the General Fund budgets where trade-offs exist between the budget units depending on the allocation of property tax and general fund discretionary revenues, the enterprise funds have their own dedicated revenues and trade-offs are budget specific. For CCSD water services, there are three "component units" of the budget – the Water Fund, the WRF Operations Fund, and the WRF Capital Fund and trade-offs may also exist between those three components.

Goals, Objectives, and Plans

Enterprise Funds are managed by the District Engineer/Utilities Department Manager. A couple of important goals for FY 2023-2024 exist for both water and wastewater operations including the following:

- The July 1, 2022, rate increases for water and wastewater provide funding for capital improvements and improved proactive maintenance – implementing those efforts in a cost-effective manner will help ensure that the beneficial outcomes of rate increases are maximized.
- Continue to improve regulatory reporting and responsiveness to resource agencies.

More specifically, advancing the Multi-Year Infrastructure Capital Improvement Program (CIP) will need to address staff roles and responsibilities, how the project priorities are phased, how professional and construction services are procured, and refinement of scope, schedules, and budgets for individual projects. Overall project prioritization has been completed, reviewed, and endorsed by the Resource and Infrastructure Committee and continued coordination with the committee will be a staff priority in FY 2023-2024. Details on specific projects and programs are discussed in the following sections on each

enterprise budget. Capital Improvement Program Project Prioritization schedules are included on pages 74-75.

Continued coordination between the Finance Committee and the Resources and Infrastructure Committee will also be important to advance the capital improvement program.

Water Fund – See budget schedules on pages 45-50

Budgeted revenues are estimated to be \$3,912,500 and expenditures are estimated to be \$3,906,060, resulting in a surplus of \$6,440.

Significant Budget Items

- Staffing levels are consistent with the current FY 2022-2023 staffing.
- Funded budget items are listed on page 77 and include various maintenance & repairs, and various increases for annual expenditures.
- Capital expenditures total \$530,000 and include source water assessment, lead and copper service line regulations, and design and preliminary costs for water main and effluent lines.

Water Fund Trade-Offs

The Capital Outlay expenditures include trade-offs that will continue to be considered by staff, the Resource and Infrastructure Committee, and the Board of Directors during FY 2023-2024.

Capital projects are listed in priority order on page 75. Many of the projects in the water fund are implemented over multiple years, where funding is accumulated over several fiscal years. The proposed capital projects, as discussed above include multi-year and new project requests. Maintaining the Water Fund surplus is important to fund future capital projects and for repayment of a long-standing general fund loan.

Goals, Objectives, and Plans

Water system goals for FY 2023-2024 include the following:

- Update of Water Use Efficiency Plan
- Update San Simeon Creek Basin Management O&M Manual
- Continue to support employee training in maintaining professional licensing and other industry-related professional development.
- Establish specific goals relating to Capital Improvement Projects.
- During quarterly budget reviews, continue to provide status updates on CIP efforts.
- Continue to develop details on scope, schedules, and budgets for individual high-priority projects.

WRF Fund – See budget schedules on pages 51-58

The projected operating surplus in the FY 2023-2024 WRF Operations Fund budget is \$147,444.

Significant Budget Items

- Staffing levels are consistent with the current FY 2022-2023 staffing.
- Funded budget items are listed on pages 77-78 and include a Trojan UV onsite installation, media preservation, training, and installation of media.

Additionally, the WRF Capital Fund requested no new capital fund expenditures for 2023/2024, project roll-forwards will be requested in August of 2023.

WRF – Trade-Offs

The continuing costs of permitting WRF facilities are uncertain. The amounts currently budgeted and contracted for environmental services will be encumbered at the end of FY 2022-2023, which is offsetting the need for new funding in FY 2023-2024.

WRF - Goals, Objectives, and Plans

WRF goals for FY 2023-2024 include the following:

- Continue to support employee training in maintaining professional licensing or other industry-related professional development.
- Continue working on the Section 7 consultation and acquisition of the Regular Coastal Development Permit.
- Installation of Media Preservation.

Wastewater Fund – See budget schedules on pages 59-64

Budgeted revenues are estimated to be \$3,854,900 and expenditures are estimated to be \$3,806,833, resulting in a surplus of \$48,067.

Significant Budget Items

- Staffing levels are consistent with the current FY 2022-2023 staffing.
- Funded budget items are listed on page 78 and include various maintenance & repairs, and plan updates. Capital expenditures total \$225,000, and include a portable pump generator, pumps at lift stations, B-3 controls, effluent line replacement engineering, engineering for gravity replacement of lift station B-1 and a new polymer skid for FKC press.

Trade-Offs

The most significant is the historical issue of the deferral of plant maintenance and capital improvement activities. The 2022 Prop 218 rate increase addressed a portion of this historic issue.

Goals, Objectives, and Plans

Wastewater system goals for FY 2023-2024 include the following:

- Continue management of the Sustainable Solution Turnkey (SST) project and provide final recommendations to the Board of Directors.
- Complete various maintenance & repair projects at the plant.
- Continue to support employee training in maintaining professional licensing or other industry-related professional development.
- Establish specific goals relating to Capital Improvement Projects.
- During quarterly budget reviews, continue to provide status updates on CIP efforts.
- Continue to develop details on scope, schedules, and budgets for individual high-priority projects.
